

Dear colleagues,

We would like to inform you about different topics we have been working on during the last weeks.

LATEST QUESTIONNAIRE / SURVEY

First of all, we would like to thank you all for your time completing the questionnaire. The number of answers received has been quite high.

The survey will help us to complete the new CLA. Thanks to these results, we have a very clear understanding of our Cabin crew preferences for the future agreement.

This are the top 5 points we should focus on. However, it doesn't mean we will forget the rest; it means this will be our starting point.

1. Increasing Basic Salary
2. Sick Payment
3. Part Time
4. Pensions
5. Good will/Disruption Payment

Also, be assured we will take into account all your great feedback and ideas/opinions which will be discussed and studied.

GETTING IN TOUCH

As always, you are more than welcome to come to us at any time if you see us around. However we would like to remind you other ways to get in touch in case you have any doubts or queries.

VOTING DAY

As you may read in the crew email, Riccardo wrote an email to remind you about the election day. This will take place on the **28th of March** (next Tuesday). Election times will be from 11:00 to 19:00. The election will take place in the Sala Catalunya 1 of the terminal 2B, on the first floor and before passenger security control.

HOW TO VOTE

2

- Once you are there, you need to take a ballot with the names of the candidates on it. Do not write anything in it.
- If you agree with the future representatives, just introduce the ballot inside the box.
- If you do not agree, do not introduce anything.
- Your Passport/ DNI/ NIE will be required, please make sure you have it with you.

There will be some people/candidates on the office to help you with the process if you have any doubt or questions.

We do apologize if you are not able to attend to vote, this was out of our control.

The final SITCPLA-SEPLA Work Council coalition list you will find in the vote when you go to the poll station stands as follow: 5 Cabin crew & 4 Pilots
