Next Sunday 28th elections will take place in Spain. As per CLA you are entitled to a compensation depending on the duration of your duty on that day.

- 6 or more hours, 2 nominal sectors

The polling stations are open from 9am until 8pm.

The payments have to be claimed by email to [spainopsadmin@easyjet.com](mailto:spainopsadmin@easyjet.com) including your full name, crew number, number of sectors claiming and a certificate of attendance. This certificate will be provided upon request at your polling station.

### **ALICANTE BASE OPENING**

As you will have read, the company have announced a 4th crew base in Spain next summer, with Alicante scheduled to open with 3 aircraft as a seasonal 9/3 base next March.

For those of you who wish to apply for a transfer, the window will be opening between **16th and 30th June**.

## Sección Sindical easyJet

We have asked the company already for clarity on how the process will be managed and last night, they came back to us to say the final plan hasn't yet been finalised but they will get back to us as soon as they have more information.

We are keen not to see a repeat of the mistakes made when the Malaga base opened or when temporary transfers were offered last winter so we will push the company for transparency with the process being managed fairly respecting the Spanish specific transfer protocols we managed to get written into the new CLA.

### **CLA**

We have been informed that the new CLA has been sent to the registry and the company are waiting to see if there are any requests for correction from a legal perspective.
